ASHRAE Air Filters

Ultraviolet Emitters – UVC for HVAC

Standard & Custom Dampers & Louvers

Energy-efficient Direct-fired Blow-Thru® Space Heaters & Make-up Air Units

OEM and Industrial Air Handling Specialist

Desiccant Dehumidification Systems

Air-to-Air Heat Exchangers & Energy Recovery

Baghouses, Cartridge Collectors, Oil Mist Collectors & Torit PowerCore

PVC and FRP Fans, Fume Scrubbers

Scrubbers, Wet Electrostatic Precipitators

ASHRAE Air Filters & Housings, Clean Room Filters, HEPA Filters & Housings

Rupture Discs & Explosion Venting for NFPA 68 & 69

Multi-Stage High Pressure Centrifugal Units, Industrial Vacuum Cleaning Systems

Propeller/Axial Flow Fans, Centrifugal Blowers & Exhausters, FRP Ventilation Fans

Quality, Accurate, Cost-effective Emissions Monitoring and Analysis

Mass Flow Controllers (MFC's), Liquid Flow Devices & Vaporization Control Devices

Gaseous Filtration, Odor Abatement

ASME B16.34 and API 608 Compliant Ball Valves

Safety Relief Valves (SRV's)

Custom Valves for Custom Solutions, Fabricated Diverter & Sampling Valves
